One who teaches is endowed with a special trust — the stimulation of young minds. Filling these minds with an endless variety of soon-to-be-forgotten facts and data is a simple procedure. It is a far greater and more significant task for a teacher to arouse curiosity and an eagerness to learn in his students. This undertaking may often prove frustrating, but, the joy a student expresses when he sees ideas take shape, followed by the unmistakable glow of understanding that engulfs his face, is the true teacher's reward for his efforts.

The teacher must remember, however, that he cannot endue every student with a genuine appreciation of learning or transform every student into a scholar. Nevertheless, those whom he has helped to view, more clearly, the complexities of this life, will remember what he has taught and will pass this knowledge on to others, for the influence of a teacher never ends.

For her rendering of this method of teaching and for her interest in what her students make of themselves, the students of St. Mary's Junior College gratefully dedicate the 1966 *Stagecoach* to Martha S. Stoops.

Student Government Association

The Student Government Association is the wielding force of St. Mary's. Upon her arrival at St. Mary's, each student becomes a member of Student Government and is expected to fulfill her obligations and responsibilities toward this governing organ. With the full cooperation and support of the students and their recognition and acceptance of the Honor Code, the Student Government is able to function in the best interests of the school.

The Student Government Association is headed by three officers: the President, the Vice-President, and the Secretary. Under its jurisdiction are the Honor Board, the Hall Council, and the Legislative Body.

Honor Board

The Honor Board is a branch of the Student Government Association that deals with violations of the Honor Code. The Honor Board reviews and deliberates upon all aspects of a case, and, after voting by its members, reaches a decision that is presented to the members of Student Government. In the interest of students involved in such cases, discretion concerning certain information is maintained. With its efforts, the Honor Board contributes to the feeling that honesty is the personal responsibility of every St. Mary's student.

The Legislative Body, composed of faculty members and representatives from each class, serves as the third branch of Student Government. Proposals for changes of certain regulations, submitted by the students, are carefully studied and voted upon by the Legislative Body. In addition, during the course of the school year, its members review and make any necessary changes in the school constitution. The Legislative Body strives to emphasize the direct involvement that St. Mary's students have in Student Government.

Hall Council

An important part of the Student Government Association at St. Mary's is the branch of Hall Council. It is composed of the Chairman, the Secretary, the Assistant Secretary of Hall Council; the President of the Student Government Association; the President of the Day Students and two counselors from each resident hall plus three day student counselors. To be chosen as a counselor a girl must possess the qualities of character, dependability, understanding, and patience. Counselors are important not only in helping girls adjust to their new life at

The Circle

Established in 1938, the Order of the Circle is a secret society which recognizes outstanding students in the college department. New members are inducted into the Circle during impressive midnight walks that are directed toward the circle stone outside of Holt dormitory. Circle members are identified by the light blue ring worn underneath the St. Mary's ring. The main project each year of the members is the sale of St. Mary's mugs.

As the Circle is symbolic of unity, it is the duty of each member, through her character, individuality, dependability, and fellowship, to bring together every branch of life at St. Mary's.

The Beacon

The Beacon is an honorary organization that has become an established tradition at St. Mary's for the high school department. Those girls that are inducted into the Beacon are selected on the merit of their leadership qualities, character, academic achievement, and participation in extra curricular activities. The main purpose of the Beacon is to promote school spirit throughtout the school, as well as the high school department.

There are several traditions associated with this society: the lantern, the walk around campus beginning at the chapel and ending on the steps of Smedes, and the Beacon pin. Each year, Beacon members initiate various projects so that they may buy a gift for the school at the end of the year.

Handbook Committee

The Handbook is an annual publication compiled and edited by a student committee. It contains rules, procedure, and other pertinent information necessary for an understanding of student life at St. Mary's. This committee is responsible for the insertion in the Handbook of any changes in school policy authorized by the Administration or Legislative Body. Copies of the Handbook are mailed to new and returning students in the summer, and each girl is tested on the material in the Handbook shortly after the beginning of the school year.

Y.W.C.A.

The Young Women's Christian Association is the service organization at St. Mary's through which girls give of their time and talents in trying to help others in the community. This year the YWCA has channeled its activities through three main institutions – Dorothea Dix Hospital, the Methodist Orphanage, and the N.C. State School for the Blind. Y.W.C.A. members interested in mental work have devoted an afternoon each week at the hospital, and those interested in the orphanage have spent afternoons helping the children with their homework, as well as sponsoring the annual Christmas party for them. Each year, other students bring children from the Blind School to May Day dress rehearsal and also organize a clothes drive for the school.

Striving to create an awareness of and appreciation for the United Nations, members of the Collegiate Council of the United Nations discuss world affairs and hold special forums on pertinent topics. The highlight of this year's work was the club's preparation for and attendance at the mock UN Assembly held at Duke University. Representing delegations from Australia and Denmark, six CCUN members made intensive research on these countries and their relationship with the United Nations. The Members re-enacted this mock Assembly at St. Mary's and also presented a special program on the importance of the UN in the world today.

Glee Club and Ensemble

Composed of talented St. Mary's singers, the Glee Club is supervised by Miss Gereldine Cate. Its purpose is two-fold: first, to teach its participants to appreciate music, and, secondly to perform for various groups such as the student body, faculty, and alumnae. Each year, the Glee Club presents two traditional concerts: a Christmas program and a Commencement performance in the spring. The Glee Club also performs in conjugation with other glee clubs through the state.

Ensemble

From the Glee Club, girls who are especially talented are selected to join the Ensemble. Under the direction of Miss Gereldine Cate, this group participates in a special program during the Christmas and Graduation concerts. In addition, the Ensemble has entertained civic organizations and other such groups in the Raleigh area.

Sigma-Mu

Sigma and Mu are the two intramural athletic teams at St. Mary's. As each student belongs to either Sigma or Mu, intense rivalry builds up throughout the school year whenever these two teams compete with each other in various sports.

Tournaments are played in speedball, basketball, swimming, tennis, pingpong, bridge, softball, and badminton, and points are given to the team winning each tournament. The team that has accumulated the most points is awarded a plaque at the Letter Club Banquet, which is held at the end of the school year. Both teams have their own cheerleaders who add enthusiasm and school spirit to each game.

Sigma Cheerleaders cheer team to victory!

Sigma Vice President Meg Christian and Sigma President Betty Kellog.

Mu Cheerleaders induce spirit into their team!

Mu Vice President Vee Smith and Mu President Sherrill Griffin

Sigma-Mu

Sigma-Mu competition is continued in many fields. Various sports such as archery, horseback riding, golf, tennis, and bowling add to the enjoyment of the students and are taken as gym classes. While St. Mary's is equipped with the facilities for many of these activities, others are enjoyed off the campus. Horseback riding is one of these and the girls ride at Horse Shoe Acres outside of the Raleigh area. Bowling is done at Western Lanes in downtown Raleigh. These sports are sponsored by the school.

Mu President Sherrill Griffin, Sigma President Meg Christian, with Sigma and Mu Vice-Presidents Betty Kellog and Vee Smith.

The Letter Club

The Letter Club is an honorary society at St. Mary's which promotes team competition between the Sigmas and the Mus and good sportsmanship among all the girls. To be eligible for membership in this society, a girl must have accumulated a certain number of points in various sporting activities.

At the beginning of the school year, the Letter Club sponsors a party, at which time the new girls join either the Sigmas or the Mus. The final activity of the year is the annual Letter Club Banquet in which recognition is given to those girls who have excelled in certain sports. A plaque is also presented to the team, either Sigma or Mu, which has earned the most points throughout the year.

Sea Saints

The Sea Saints, under the direction of Mrs. Billy Barr, is an aquatic group that consists of students from all classes. At the beginning of the school year, these students are selected by means of a series of tryouts in which they must demonstrate skill in stunts, strokes, or synchronized swimming. This year the Sea Saints presented a program, "Holiday, U.S.A.," which was viewed by the faculty, student body, and general public.

Beyond the Rainbow
The Wild West

Beyond The Rainbow, the land of wonder, adventure, frontiers conquered, and dreams. Beyond the Rainbow is where children find their dreams come true by meeting their imaginary friends. There the children are met by Tinker Bell and she ushers them into the Wild West where they meet the high stepping cowgirls. They also meet the perky flappers who are snubbed by the haughty Eastern Ladies. They are then entertained by lovely dancers with jaunty silk hats and canes. The children leave the frontier and fearlessly march to adventures in Far Away Land through the jungle with the natives and further on with the slant-eyed Oriental children. Entertainment is fun with the modern discotheque girls. The children are delighted when they reach their favorite, Wonderland. They are greeted by that famous mouse who introduces them to a well known duck, Pinochio and Jimney Cricket, Alice of the Looking Glass, the Flirting Dogs, Winnie the Pooh, and the Seven Dwarfs. The children are astonished when they see the strange movements of the Martians from Outer Space. Too soon it is time to leave, but all of their new friends come out to bid the children farewell.

Tinker Bell welcomes the children to the land beyond the rainbow.

Outstanding

FRANCES LEWIS ROSLYN BOWERS MARIE KIRKSEY MEG CHRISTIAN

"Outstanding" is a difficult word to limit and confine. It may refer to a broad scale of individuals, ranging from one who merely makes himself conspicuous, such as the braggart to the person who is noteworthy because he contributes exemplary and valuable capabilities to any field of life.

On these pages, it is the latter classification that merits attention, for in the environment and atmosphere of St Mary's, there is room for a student to strive for commendable goals and to set these goals for others. Attaining these goals requires a responsible attitude: working, not only for personal satisfaction, but also for the

benefit of the school as a whole. Successful leadership demands a genuine school-spiritedness and concern for others. Using these qualities as a criterion, the entire student body has selected the eight seniors who, during their life at St. Mary's, have shown themselves to be outstanding.

Much we have loved you. But speechless was our love, and with veils it has been veiled.

Yet now it cries aloud unto you, and would stand revealed before you.

And ever has it been that love knows not its own depth until the hour of separation.
